THE 'GEECHEE

1946

Dedication

MAYOR GAMBLE

To the memory of the late Mayor Thomas Gamble, whose unceasing efforts and personal interest endeared Armstrong not only to its students but also to the people of Savannah, we gratefully dedicate this 1946 issue of the "Geechee."

FOREWORD

The last five years have had their effect on the student life of Armstrong. During the war, because of a smaller student body and faculty and because of serious and absorbing war work, the student activity program was decidedly curtailed. With the coming of peace, however, the enrollment has greatly increased, and the greater number of students has resulted in a renewed interest in all phases of college life.

Armstrong has a brilliant future before her. Those of us who obtained our training during the war years and the year of transition, look forward to an ever increasing program for students and a larger place for Armstrong in the community.

It is with a sense of humility that we dedicate this page of the "Geechee" to those of the Armstrong alumni who gave their lives to gain the victory we now have. Nothing we can do or say will ever wholly repay the debt we owe, not only to these, but to all the others who died for our cause, but we can do one thing. We can dedicate our lives and knowledge to the building of the better world which they saw, as Moses saw the Promised Land, only from afar.

Coronation of Freshman King and Queen

One of the outstanding events of the year at Armstrong is the annual Homecoming Celebration. At the formal dance which follows a large reception, the Freshman King and Queen are crowned by the previous year's "Royalty," George Moore and Jane Middlebrooks. The winners this year, Harvey Morgan and Jane Brown, were elected by popular vote from the entire Freshman Class.

THE STUDENT SENATE

The Student Senate performs a vital function in the activities of Armstrong by serving as the Student Governing Board. It is composed of representatives of all recognized clubs and organizations in the college to discuss proposed student activities and to advise the faculty of student opinion concerning new projects.

During the past year the Senate revised the activity point system for membership in Alpha Lambda Sigma, resumed the publication of the "A" book, and established rules governing student activities.

Official "Rat Court," held for the first time by the Sophomore Class '46, brought to justice violators of the rules of "Rat Week," a week when Freshmen have to observe special rules made by the Sophomore Class.

The Homecoming Reception, the first part of the Annual Homecoming Celebration, is held in the lobby of the Armstrong Building. A dance, held in the Auditorium, follows the reception.

UTILIZING & PROTECTING GEORGIA'S FORESTS

Our Savannah plant, the largest of its kind in the world, uses a Georgia raw material—the pine tree—in manufacturing kraft paper, kraft board and kraft bags.

The growing and harvesting of these trees provide work for several thousand people in all sections of Georgia, and their conversion into paper products gives employment to 4,000 men and women in our plant, whose total annual wage exceeds \$8,000,000.

While making this substantial dollars and cents contribution to the economic welfare of Georgia and its people, we have not lost sight of the fact that the wise use of our forest resources is essential to sustained prosperity and general welfare.
